卷二

the first time I ever
had a real job. I
was a waiter at a
small restaurant in
the city. I worked
there for about a year.
I was a good waiter,
but I didn't like
the food. It was
not very good. I
also didn't like
the people who
worked there. They
were all old and
they treated me
like I was a child.
I wanted to leave
but I had to stay
because I needed
the money. I finally
left after a year.
I found a new job
at a different
restaurant. This one
was much better.
The food was
delicious and
the people were
friendly. I enjoyed
working there and
I stayed for two
years. I learned
a lot from my
experience as a
waiter. It taught
me how to work
with others and
how to handle
difficult situations.
I am grateful
for the experience
and I would do
it again if I
had the chance.
